

IFAC Foundation

Young Author Support Program at the 19th IFAC World Congress

<http://foundation.ifac-control.org/projects/yas/young-authors-support-program>

The IFAC Foundation is open to consider applications for support of young authors' attendance at the 19th IFAC World Congress (IFAC 2014), to be held in Cape Town in 2014.

A person is eligible for support if the person meets all of the following criteria:

- The person must be an author of a technical paper which has been accepted at IFAC 2014,
- The person must not be a citizen of a high income country and must not be supported by any institution in a high income country. A list of high income countries is attached,
- The person must be younger than 30 years during IFAC 2014.

Only one author per paper can be supported. A limited number of applications can be supported.

The support consists of a lump sum to help defray the expenses related to the Congress and a presentation of the paper at the congress by the winner is a requisite for support.

Applications should be addressed to the congress organiser by eligible authors: yas@ifac2014.org.

Attachment: List of High Income Countries as of July 1, 2013

A high-income economy is defined by the World Bank as a country with a Gross National Income per capita above USD 12,615 in 2012. According to the World Bank the following 76 countries and territories are classified as high-income economies:
